EDUCATION

Bachelor's of Fine Arts degree in Illustration, Marywood University.
Scranton PA, May 2006

RELATED EXPERIENCE

Experienced in working with Adobe Creative Suite 4 Design Standard (Photoshop, Illustrator, Acrobat 9, In-Design) as well as Dreamweaver CS4, and Fireworks CS4
Comfortable working on the Macintosh system (OS 9 - OS X)

SUMMARY

- Versatile illustrator comfortable working on the computer and in various programs.
- Ability to effectively collaborate via email in regards to the desired look and feel of an illustration despite distance between client and artist.
- Maintaining the ability to work by hand in a variety of physical mediums, even in this, the digital age.

RECENT PROJECTS

December 2014

Commissioned by and worked with CEO of SuperVision to create a three panel illustration showing how SuperVision's medical imaging cameras allow a physician to remotely observe a patient with diseases such as Ebola.
All work done remotely, SuperVision is in Hermosa Beach, CA.

May 2013 - June 2013

Worked in conjunction with forum administrators to create t-shirt logo for The Cantina Crew web forum. Shirt proceeds donated to the American Red Cross.

May 2013

Client buys print of *Turkish Grand Prix* poster as a gift for family member. Client found poster culturally significant, as recipient was half Turkish.

January 2013 - April 2013

Completed concept sketches and illustrations for project for Woodley Books of Bethlehem, Pennsylvania.

March 2013 - April 2013

The painting *Prime and Megatron, an homage to George Bellows* is commissioned by the aforementioned friend's fiancée as a surprise for his 30th birthday.

September 2012 - December 2012

Artwork titled "*An Unexpected Find in the Hundred Acre Wood*" is commissioned for a friend's fiancée.

June 2012

Created a series of illustrations for author Kenny Luck to accompany his article in a science paper on the benefits of vaccines.

April 2012

The piece "*A Win for Speed Racer!*" is sold by the Maximillian Gallery in West Hollywood, California.

March 2012

Commissioned to design a t-shirt illustration for a local highschool's wrestling club, "Mat Rats".

March 2011

Created a personalized Star Wars themed illustration for co-worker's son in the style of the Family Guy cartoon.

October -November 2010

Took part in Maximillian Gallery's *Speed Racer* art exhibition in West Hollywood CA. The piece "*A Win for Speed Racer!*" placed Third in the Popular Vote category, and also received The Founder's Award.

May 2010

Had a photographic entry chosen and displayed in SoftCanvas.com's online show *The Color Red*.

April -May 2010

Actively worked with a member of Greenpeace Sweden to design updated graphics for a brochure concerning the dangers of burying nuclear waste.

August 2009

Interviewed by PNW Worldwide for online art gallery website.

Vestal, NY April 2009

Entered pieces in APW Gallery's *Sketch it Out!* gallery show in New York City.

Vestal, NY April 2008

Designed logo and text for *Extreme Cycle* for co-worker interested in the motorcycle business

Vestal, NY November 2006

Created *ChampCar DP01 in Delta Pure livery* as retirement gift for client's father

Marywood University, Scranton, PA July 2006

Gino J. Merli Veterans Center

Worked with Illustration class members in creating artworks to be displayed in Veterans Center (*For the Doctors and Nurses*)

Marywood University, Scranton, PA, May 2006

Marywood Senior Art Show

Exhibited four pieces

Marywood University, Scranton, PA, Fall 2005

Bayleaf Art and Literary Magazine

Created cover artwork at request of college acquaintance (Kenny Luck) to illustrate his idea. Award/credit was split between the two of us.

University of Berkeley, Berkeley CA, Fall 2005

Formula SAE (Society of Automotive Engineers) Team

Collaborated with team members to design concept illustrations through e-mail correspondence
